Dear Sponsor:

We invite your participation and support for our 7th Annual Jimmy Garvin Legacy Golf Tournament. Last years successful Legacy Tournament was made possible by the many sponsors that showed their commitment to our youth. Proceeds from this tournament will again benefit the Interpretive Educational Center at Langston Golf Course.

MISSION

- ◆ The mission of Langston Legacy is to prepare kids for the challenge of golf and the challenge of life. We strive to provide kids with a place where they can routinely increase their learning skills while playing golf and be instilled with etiquette that is the cornerstone of the game. In addition to developing these young boys and girls as higher learners, they will acquire the values associated with integrity, honesty, sportsmanship and much more.

BENEFACTOR

Interpretive Educational Center

- ◆ The Interpretive Educational Center at Langston Golf Course continues to operate under the auspices of Langston in the 21st Century, an IRS sanctioned 501(c) 3 non-profit, tax exempt, public organization, whose mission and focus is educating children.

THE PLACE

- ◆ As you are well aware, Langston Golf Course was officially opened in 1939 as a venue for minority participation in the game of golf. It was named after John Mercer Langston, a renowned educator and prominent political figure of that era. Langston is on the National Register of Historic Places and maintained and preserved by the National Park Service. Langston, known as the home of the internationally renowned Capital City Open Pro-Am Tournament will with your support also be known as the home of the
Jimmy Garvin Legacy Golf Tournament.

Jimmy Garvin, the General Manager of Langston for more than twelve years and the President of the Langston Legacy Golf Corporation since its inception in 2002, has been at the forefront in fostering relationships with the community and the many golf clubs that use Langston as their home course. Through perseverance and his unique management style, he has developed a professional staff which caters to the needs of its patrons in this extremely competitive segment of the hospitality industry; making ones visit to Langston an enjoyable and pleasant experience.
